**Chairman Of The Executive Board**

I was born in 1953 in Gümüşhane. I graduated from Trade High School. I am married and have a daughter and a son. my father's profession was marble production. I began helping my father at a very young age in school holidays. I have been involved in all stages of marble, including apprenticeship, craftsmanship, workshop, factory production, marble extraction and processing. In 1984, I established Kartal Mermer San.Tic.Ltd.Şti. Later, I founded Kartal Madencilik, Kartal Foreign Trade, Mess Yapı and served as Chairman of the Board of Directors.

I have been in sports clubs and in the management of Culture, Tourism and Folklore associations.

Since 1987, I have been the president of Istanbul Natural Stone Association.

Again in 1987, I established Istanbul Anatolian Side Marble Producers and Processors Cooperative. I was the Chairman of the Board for 13 years. Our cooperative I made the switch to Organized Industrial Zone status. This cooperative is the first privately organized industrial zone established. Currently, Istanbul Anatolian Side Organized Industrial Zone is operating under the name.

I founded Renktaş Mass Housing Cooperative in Kurtköy. I built 88 apartments here. I continue to build industrial and residential buildings in various regions.

Izmir Marble Fair I worked in the organization, I did many years advisory board membership, TÜMMER (Turkey Marble and Machinery Manufacturers Association) have established their association and company owners in Turkey, I worked at the Board of Directors.

Istanbul Marble Fair and Antalya Marble Fair in the formation, I have worked. In order to promote the sector further, I published a magazine called NATURAL STONE that will attract and read everyone's interest. Currently, this magazine continues its publication life.

I am acting as the Chairman of the Board of Directors of the Limited Liability Natural Stone Products Processing and Handicraft Collective Workplace Building Cooperative in which our Association has established to contribute to the sector and increase our exports.
